ALBERT CASTIGLIA

## STADTGARTEN

— AUGUST 25, 2019 BY 3SONGSBONN

You had to get there early for a good place on the grass beside the **Stadtgarten** Stage. Perfect weather for a picnic with free music was on offer on both Friday courtesy of Die Musikstation and Saturday courtesy of PopCamp. Seven bands in two nights, so there really was something for everyone, and if a band didn't catch your attention then there was always a chance to sunbathe or share a bottle of wine with friends. Bonn Summer Magic was indeed in the air!

The Stadtgarten Season really is a testament to what can be achieved through cooperation by local music institutions. JazzTube, Musiknetzwerk, NRW KULTURsekretariat, Institut Francais – all brought together and presented by Bonn's own Commissioner for Rock & Pop Hans-Joachim Over. 'HaJo' really has done a marvellous job pulling so many disparate bodies into his musical 'boat' by the Rhine. He recalls speaking with the nearby Hotel Königshof and being concerned about the infamous excess noise problems that plague Bonn every Summer. In fact, the hotel enjoys the music so much that they offer guest musicians travelling long distances to play at Stadtgarten free bed and breakfast.
